Dear Ma'am,

I, Agatha May D. Esguerra, hereby acknowledge and understand that after receiving a Letter of Completion for the training program at Pixel8, I fully commit to completing the remaining **50** hours to complete my **350** hours of training as required by the organization.

I am requesting an early issuance of my Letter of Completion as it is a requirement for the submission of my On-the-Job Training (OJT) documentation. The **certification confirming the completion of 300 OJT hours** is necessary for meeting the academic requirements of my course and for the timely processing of my records. Submitting this document promptly ensures compliance with institutional deadlines and allows me to progress to the next stage of my academic journey without delays. Your prompt assistance in providing this certification would be greatly appreciated.

I am aware that failure to fulfill the required hours of training I will not be able to get my Certificate of training and other documents. I understand the importance of acquiring the necessary skills and knowledge through the complete training program and acknowledge the consequences of not meeting the training hour requirement.

I further understand that the completion of the full training program is vital for my professional growth and development.

By signing this waiver, I affirm my commitment to finish the remaining **50** hours of training at Pixel8 and understand the implications of not doing so.

AGATHA MAY D. ESGUERRA
